

SHARE YOUR FLOOD EXPERIENCE

Your help is needed to better manage flooding and build more resilient communities in West Louisiana

In the last two decades, Louisiana has experienced 28 declared flood and hurricane-related disasters costing more than \$16 billion in public assistance.

IT'S TIME TO REEVALUATE OUR APPROACH TO FLOOD MITIGATION.

WHO

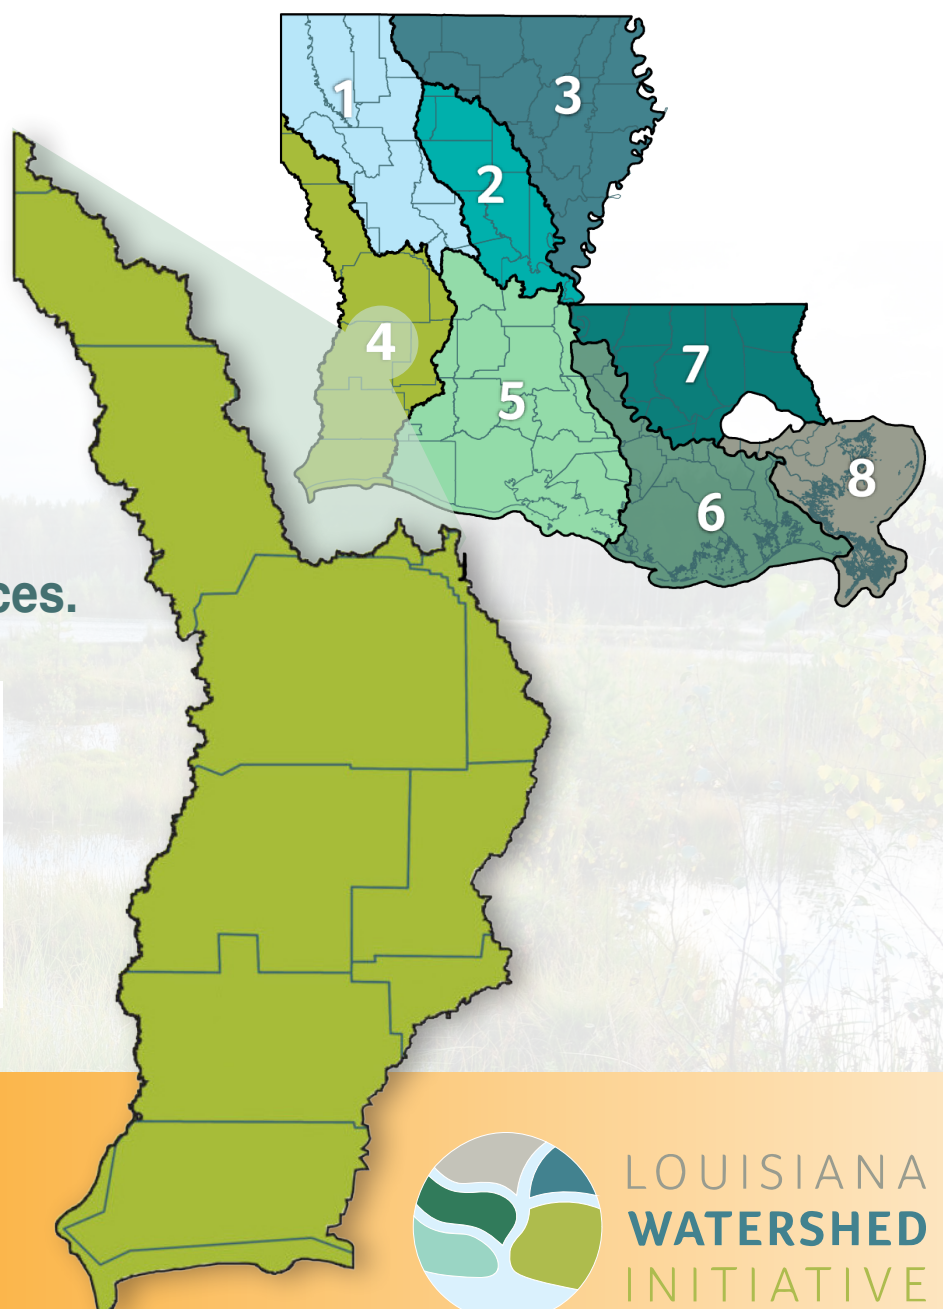

RESIDENTS & BUSINESS OWNERS IN WEST LOUISIANA PARISHES

Allen, Beauregard, Calcasieu, Cameron, DeSoto, Jefferson Davis, Rapides, Sabine and Vernon Parishes

WHAT

Scan and complete a short, confidential survey about your personal flood experiences.

Data collected will support regional and statewide funding efforts for projects to reduce or eliminate these incidents.
